

COLLEGE OF ARTS AND SCIENCES

The Ohio State University GEC Course List and Programmatic Modifications Effective Winter Quarter 2012

2. Breadth: B. Social Science

(1) Individual and Groups

NEW – ASC 230 (this category for WI 2012 *only*)
NEW – ASC 230E (this category for WI 2012 *only*)

2. Breadth: C. Arts and Humanities

(3) Culture and Ideas

NEW – ASC 230
NEW – ASC 230E

In sum: In Winter 2012 ASC 230(E) will have both Individuals and Groups & Culture and Ideas. Subsequent iterations of the course will always have Culture and Ideas GEC status. If the course wishes to have Individual and Groups GEC status for subsequent iterations, the course will need to re-apply for this status.

Programmatic modifications

Minor Update:

Disability Studies

Note: The Atmospheric Sciences and Geographic Information Science Majors (previously announced as pending Ohio Board of Regents approval on the AU11 Modifications Sheet) have since then been formally approved by the Ohio Board of Regents

Preview of modifications effective in *Spring 2012*

- Chemistry 131: new—Natural Science: Physical Science (General Chemistry 1210 offered in one quarter—necessary for transition; with a lab)

Note: CANCELLED – History 594: group studies--Historical Study (for WI 2012 iteration of "Histories and Cultures of the Maya"—Newark Campus). This course was announced in our "Preview of modifications" section on the AU11 Modification Sheet. The course will not be offered by the unit.
