| Language proficiency level | 0-12 | |
| Social Diversity in the United States (1 cours | - | Typically embedded in other requirements |
| Global Studies (2 courses) | | Typically embedded in other requirements |
| 46-60 Total Units | | |

Social Science categories to remain as:

Individuals and Groups
Organizations and Polities
Human, Natural, and Economic Resources

Open Options experiences can be selected from any of the following:

Another GE approved course
Service-learning course
Cross-Disciplinary seminar
Education abroad
Can be used for double major
597 successor & new
Can fulfill up to 6 units

Percentage of 121 units without Language 38% Percentage of 121 units with Language 50%

General Notes

- * GE courses cannot be counted in the major except "Data Analysis" as already approved
- * GE courses can be taken in the major, but cannot count as meeting both major and GE requirements
- * Upper-division courses from an equivalent area may be substituted with permission of ASC Advising
- * All current GEC successor courses are automatically approved for the appropriate successor GE category
- * All current GEC exceptions are automatically granted for successor degree programs
- * Current Expected Learning Outcomes will be revised for all successor categories
- * Expected Learning Outcomes will be developed for all new categories
- * Most GE courses anticipated to be offered as 3 units per course
- * Some GE courses may require successfully meeting eligibility standards prior to enrollment
- * For Literature, Arts, and Social Sciences no more than one course can be from the area of the major, and cannot be counted as part of the major
