General Education Curriculum (GEC)
Course List

Autumn Quarter 2008

IMPORTANT: If you are looking at a paper copy, it may be OUT OF DATE. Check the web artsandsciences.osu.edu/students/gec.cfm for the most current information. Consult an advisor before making enrollment decisions.

Symbols

- Social Diversity in the United States course that overlaps in another GEC category
- Second Writing course that overlaps in another GEC category which some degree-granting units allow to count in both categories
- Natural Science course that has a laboratory component
- International Issues non-western or global course that overlaps in another GEC category
- International Issues western (non-United States) course that overlaps in another GEC category

1. Writing and Related Skills

The purpose of courses in this category is to develop students' skills in writing, reading, critical thinking, and oral expression.

A. First Course  5 hours

All undergraduate degree-granting units require the completion of English 110.01, 110.02 or 110.03(110) or its equivalent.

B. Second Course  5 hours

All undergraduate degree-granting units require the completion of a second writing course; however:
大门 the landscape architecture major specifies Landscape Architecture/Natural Resources 367 (double counts as a cultures and ideas course),
大门 the art education major specifies Art Education 367.01,
大门 the music education major specifies Music 470,
大门 the voice specialization recommends Theatre 367.01,
大门 the technology education major specifies that one of the Comparative Studies 367 decimals be taken, and
grip the natural resources majors specify Landscape Architecture/Natural Resources 367 (double counts as a cultures and ideas course).

Also, overlap between the second writing course and another GEC category is allowed in AGR, AMP, ASC BS, DHY, and PHR.

African-American and African Studies 367.02†, 367.03†, 367.04†

2. Quantitative and Logical Skills
The purpose of this category is to develop logical reasoning, including the ability to identify valid arguments, use mathematical models, and draw conclusions based on quantitative data.

The Quantitative and Logical Skills requirement varies. Contact your degree-granting unit for the course work.

A. Basic Computational Skills
You must have Mathematics Placement Level R or higher, or complete Mathematics 075, 076 or 104 (course required varies with degree program). Credit hours earned for Mathematics 075 or 076 do not count toward any degree program.

B. Mathematical and Logical Analysis

ASC Bachelor of Arts (BA), Bachelor of Arts in Journalism (BA Jour)
Mathematics Placement Level L or select one course from the following list.

Computer Science and Engineering 101 or any course at the 200 level or above
Linguistics 280, 384
Mathematics: any course at the level of 116 or above
Philosophy 150, 250
Statistics: any course except one of those listed in Category 2C

ASC Bachelor of Science (BS)
Mathematics 151-152

Biology 101 - Entomology 333
Biology 101 - Food Science and Technology 201
Biology 101 - Human Nutrition and Food Management 210
Entomology 101 - 102
Plant Biology 101 - 102

1Please note that a grade of C- or higher is necessary in Math 151 to advance to Math 152.

All Other Programs
Any non-remedial course work as specified by the degree-granting unit.

C. Data Analysis

ASC BA, BA Jour
Select one course from the following list. The course may double count in your major, if it is at the 200 level or above and approved by your faculty adviser.

Agricultural and Extension Education 387

Agricultural, Environmental, and Development Economics 205
Animal Sciences 260

Sociology 549
Speech and Hearing 286
Statistics 135, 145, 245, 427, 520

1Please note: Stat 145 requires Math placement level M or higher or equiv.

ASC BS
Course work is taken as part of the major program, or prerequisite work.

All Other Programs
Course work as specified by the degree-granting unit.

3. Natural Science
The purpose of courses in this category is to foster an understanding of the principles, theories, and methods of modern science, the relationship between science and technology, and the effects of science and technology on the environment.

The Natural Science requirement varies. Contact your degree-granting unit for the specific course work required for your major or specialization.

Option 1 20 hours

ASC BA, BA Jour
Select one two-course sequence in either the biological or the physical sciences, and two other courses. At least one of the four courses must be in the biological sciences and one in the physical sciences. At least one of the four courses chosen must have a laboratory.

1. Biological Science Sequences
Biology 101 - 102, 101-103, 113 - 114, H115 - H116
Biology 101 - Anthropology 200

5. Arts and Humanities 25 hours

The Arts and Humanities requirement varies. Contact your degree-granting unit for the specific course work required for your major or specialization.

ASC BA, BA Jour, BS

A. Historical Survey 10 hours

The purpose of courses in this category is to develop students' knowledge of how past events influence today's society and help them understand how humans view themselves.

Students must choose two courses. The first course should be selected from the following list:

AfAm&AS1 121*, 122*
Econ 515*, 516*
Edu PAES 210, 211
Engineer 360.01, 360.02

Hist Art 201*, 202*
Int Stds 210*
Philos H111*, H112*

The second course can be any of the above or any History course at the 300 or 500 level (except for 598).

B. Analysis of Texts and Works of Art 15 hours

The purpose of courses in this category is for students to evaluate significant writing and works of art. Such studies develop capacities for aesthetic and historical response and judgment; interpretation and evaluation; critical listening, reading, seeing, thinking, and writing; and experiencing the arts and reflecting on that experience.

Select 15 credit hours from the following lists, with at least five credit hours from the literature section and five credit hours from the visual/performing arts section. A maximum of five hours is permitted from the area of the major, but these hours may not be counted on the major.

1. Literature 5 hours

†As Theater 280 is a three-credit course, this course only provides 3 hours toward the requirement of this category.
The purpose of courses in this category is to help students become educated, productive, and principled citizens of their nation and the world. The International Issues requirement varies. Contact your degree-granting unit for the specific course work required for your major or specialization.

**ASC BA, BA Jour, BS**

As you complete the Natural Science, the Social Science, and the Arts and Humanities categories (or your major), ensure that your selection includes courses that fulfill the international issues requirement. You are required to complete two international issues courses, one of which must be a non-western or global course. The other course may be another non-western or global course, or a western (non-United States) course.

**Note:** Psych 100 may also count as Social Diversity as of Au 03 and after.
7. Foreign Language

The purpose of courses in this category is to develop students' skills in communication across ethnic, cultural, ideological, and national boundaries, and help students develop an understanding of other cultures and patterns of thought.

- AGR, AMP, DHY, EDU, ENG, HEC, NRE, NUR, PHR, and SWK do not require a foreign language.
- The architecture major suggests that foreign language be used to fulfill the directed elective requirement; the landscape architecture major suggests it and will it count toward the free elective hours.
- Music history requires course work through 104 in French or German; voice requires course work through 103 in French, German, or Italian (the language must be different from the one studied in high school); all other ART majors/specializations do not require foreign language.
- ASC requires completion through 104 in a foreign language.
- The international business administration major requires completion through 104 in a modern foreign language (Arabic, Bulgarian, Chinese, French, German, Hausa, Hebrew, Italian, Japanese, Korean, Modern Greek, Persian, Russian, Spanish, Swedish, Turkish, and Yiddish); all other BUS majors do not require a foreign language.
